

8TH AND 13TH REGIMENTS HAVE ANNUAL REUNION

Associations Meet at Essex Junction—200 Survivors Out of 1,772 in 8th.

Essex Junction, July 13.—The annual reunion of the Eight Vermont Regimental association was held here today. Last year was the first time a reunion had been held since the organization of the association in 1869, this making the 47th reunion. The meeting was called to order by Secretary C. M. Perrin, neither of the vice-presidents, D. P. Bowman of Randolph, now in California, and Perry Porter of West Burke, being present. John A. Thompson of Londonderry was elected president pro tem. No president had been elected since the death of General Thomas, who had been the beloved president since the society was organized. After a few words of greeting by the president pro tem, the report of the last meeting, which was held at Bethel, October 19, 1914, the 50th anniversary of the Battle of Cedar Creek, was given. This was followed by the treasurer's report and the obituary committee report, which showed that 25 members have died since the last meeting. Many letters from absent members were read, sending greetings to the comrades in response to the invitation to the reunion. The same board of officers was elected to serve another year. The time and place of the next reunion was left to the arrangement of the two vice-presidents. Twenty-one members were present. Out of the 1,772 who served throughout the war, the secretary now finds only about 200 living. Of those who served throughout the war were four brothers, Henry, Charles, Mitchell and Joseph Wescott of Eden, who enlisted in Company A, Eighth Vermont, and all came home alive. Of these four, two have since died, the others, Mitchell, now 85 years old, of Johnson, and Charles of Eden were present today. A dinner was served in the W. R. C. hall by the Woman's Relief Corps and the Ladies of the G. A. R. After dinner the comrades returned to the hall, where a social hour was spent, after which they went on the electric cars to Burlington to attend the meeting of the Army of the Potomac.

The 28th annual reunion of the 13th Vermont Regimental association was also held here today. The board of Burlington was re-elected secretary and treasurer. The new president is O. J. Tomlinson of St. Cloud, Minn., Fla., and E. F. Brown of North William was elected vice-president. The deaths during the year were: M. M. Davis at Moretown, R. D. Swart at Berlin, W. M. Dusen at Plainfield, Andrew Lucia at Milton, M. W. Thompson at Colchester, E. W. Clough at Morrisville, E. B. Gile at Morrisville, A. T. Kinsley at Montpelier, Norman Hogaboon at Richmond, J. W. Hitchcock at Seneca, Ill., Edwin Jones at Montpelier, A. B. Thompson at Mohrville, Mo., S. H. Parker at Lawrence, Mass., and Edgar Currie at Abercorn, P. Q.

The association has held annual meetings since 1888. As a rule the meeting has been held in June.

SEEKS INCREASE.

Industrial Accident Board Wishes Appropriation for Clerical Assistance. Montpelier, July 14.—The industrial accident board met with the State budget commission at the State House today relative to the board being allowed an appropriation to increase the clerical force. The work has been done by Miss Laura Burbank, secretary, assisted by members of the board, but the work of the board has increased rapidly until it is deemed essential that the services of another clerk be had. The budget commission also met with other State officials.

NINE PASS EXAMS.

State Dental Board Announces List of Successful Dentists. Newport, July 14.—Dr. Harry F. Hamilton secretary of the board of dental examiners for the State of Vermont announced today the list of men who successfully passed the State dental examinations, which were held at Montpelier June 26, 27 and 28, and who are therefore qualified to practice in Vermont: Edmond Leonide Desautels, 53 Atkinson St., Dover N. H.; Arthur Feinberg, 68 Norfolk St., New York city; Will Austin Shattuck, Bristol; Harry W. Burns, 2 Park St., Middlebury; Allen C. McBride, St. Regis Falls, N. Y.; George Frederic Seguin, 165 Cartier Sq., St. Henry, Montreal, P. Q.; Matthew A. Meagher, 117 Rte. St., Bennington; Frank J. Nelson, Jr., West Pawlet; Clifton E. Kilbury, 400 So. Winooki avenue, Burlington.

CLARKE TO SUCCEED HUGHES. Washington, July 14.—John H. H. Clarke, federal district judge at Cleveland, Ohio, was nominated by President Wilson today as an associate judge of the Supreme Court to fill the vacancy caused by the resignation of Charles Evans Hughes. He is the republican nomination for the presidency. Judge Clarke is a democrat and for years was identified with progressive movements in Ohio, being associated with the late Tom Johnson, Newton D. Baker, now secretary of war, and other leaders of the party in his State.

NAVAL COLLIER LOST AT SEA

The Hector with Crew of 70, 12 Officers and 60 Marines, Sinks during Big Storm.

Charleston, S. C., July 14.—The big naval collier Hector, carrying sixty marines in addition to her crew of 82 men and 12 officers, sank off Charleston late today, according to a report to-night from Captain Hunt of the tug Vigilant, which tried to go to the Hector's assistance. He was unable to say whether those aboard escaped. The steamer Alamo had been standing by the collier today, having responded to her calls when she was disabled some sixty miles off here in last night's hurricane. Stale conditions were such that no wireless report could be obtained to-night from the Alamo. The sea still was running high.

NEWS TOLD IN BRIEF.

Embargo on shipments to Mexico has been lifted on everything except munitions of war. New Jersey will attempt to collect collateral inheritance tax on Betty Green's estate, claiming she was a resident of that State by reason of her domicile at Hoboken. Tax, if collectable, would be about \$5,500.00. "God send Gringos" is the cry of starving women in Mexico. Their own food gone, they welcome Pershing's men, who pay in gold and do not rob them. As they are accustomed to giving over their possessions to bandits and Carranzistas, the honesty of Americans is regarded with wonder.

German casualties from beginning of war to end of June, as computed from official German lists, are 3,012, 657, divided as follows: Dead, 357,327; captured and missing 342,674; wounded 1,912,657. Figures do not include naval casualties or casualties of colonial troops. London despatch to New York World says a saline solution for treating wounds invented by Sir Almonro Wright is coming into almost universal use in British army. Instead of wound being covered with lint and antiseptics, which have to be changed frequently, a mixture of salt and water is allowed to flow, drop by drop, over the wound day and night, cleaning and healing at the same time. A cradle keeps the bed cloths away from the wound and the salt and water solution is carried to the spot through rubber tube.

Development of 2,000,000 horse power of electric energy at Niagara, for equal division between New York and Ontario, and an expenditure of \$100,000,000 are outlined in a proposal submitted to the Dominion government.

There are indications of war between Venezuela and Peru on one side and Colombia and Ecuador on the other over boundary disputes. In despatches received in Washington, Secret treaty is said to have been made between Peru and Venezuela to assist one another by force in boundary claims.

FORMER PRESIDENT OF VENEZUELA IS ORDERED REPORTED

Special Board at Ellis Island Hears Charges against Gen. Cipriano Castro, Who Issues Appeal.

New York, July 14.—General Cipriano Castro, former president of Venezuela and his wife, who arrived here yesterday from Port of Spain, Trinidad, on the steamship Vauban, were ordered deported from the United States by a special board of inquiry at the Ellis Island immigration station today. The hearing, which lasted ninety minutes, was private. The charge against General Castro, however, was said to involve moral turpitude. The order as applied to Mrs. Castro was characterized as technical.

General and Mrs. Castro, who had been permitted to spend last night on board the Vauban now are detained at Ellis Island. After similar action was taken against General Castro on his former visit to this country three years ago and after an appeal to the department of labor was denied he sued out a writ of habeas corpus in a federal court. The writ being granted, the former president of Venezuela was permitted to land after he provided a bond, pending an appeal by the government.

General Castro voluntarily left the country before the appeal was heard. Commissioners of Immigration Frederic C. Howe placed his personal quarters at Ellis Island at the disposal of the Castros. Castro issued a statement saying he had appealed to the secretary of labor.

GERMAN SUBMARINES ARE BUSY AGAIN

Four British Steamers and Five Patrol Trawlers Sunk. London, July 14.—At Lloyd's Shipping agency it was announced today that the British steamships Mopra of Goole and Alto were sunk this morning. The crews were saved. The British patrol trawlers Onward, Hull, Eira, Aberdeen and Nellie have been sunk by German submarines, according to a despatch from Aberdeen to the Central News agency. Eleven survivors of the trawlers have been landed.

BRITISH STEAMER SUNK. London, July 15.—A report to Lloyd's says the British steamer Blyverion has been sunk.

F. H. BABBITT AGAIN HEADS GREATER VT. ASSOCIATION

Annual Election of Officers—An Endeavor to Increase Membership from 600 to 2,000.

Montpelier, July 13.—The Greater Vermont association, holding its sessions at nine o'clock this morning in the memorial room of city hall, re-elected as president, Frederick H. Babbitt of Bellows Falls, increased the number of the board of directors from five to seven members and considered outlines of what the association plans to accomplish the coming year. The speakers this forenoon included the president, vice-president, Theodore N. Vail, James Hartness of Springfield, a director and chairman of the State board of education and Lucius E. Wilson of Dorset.

Accepting the report of the nominating committee the association elected the following officers: President, Frederick H. Babbitt of Bellows Falls; vice-presidents, T. N. Vail of Lyndonville, Clarke G. Fitts of Brattleboro, George E. Chalmers of Rutland; treasurer, C. H. Forbush of Springfield; board of directors: James Hartness of Springfield, A. J. Holden of Bennington, Senator Max L. Powell of Burlington, J. Gregory Smith of St. Albans, C. E. Peck of St. Johnsbury, A. G. Eaton of Montpelier and Major C. Hoadley of Brattleboro.

The membership of the association at present is approximately 600 and it is the desire of the officers that the number be increased to at least two thousand. President Babbitt said that it had been the aim of the association the last year to increase the membership, which would bring increased interest and co-operation, rather than increase the financial strength.

Vice-President Vail followed the president and briefly outlined what the association plans to do, expressed admiration of its high aims and urged the members to do all the small things possible to help in the general development of the State and suggested that money must be expended in the work outlined.

Mr. Wilson led in the discussion on what work may be accomplished by boards of trade, elvies, commercial and agricultural associations. He explained why a board of trade or other organization rouses a community to thought and action about its interests and how a system of committees can be organized and be efficient.

He took up the matter of obtaining members for such organizations, what type of men should be secured to take charge of how social occasions, dinners, meetings and outings assist in holding the interest. Local newspapers, he said, can do much toward local development and, he added, they should always work in harmony with the boards of trade. He urged co-operation with fair business and county agricultural associations as benefits to retail trade.

PLAYED WITH MATCHES.

Mother Finds Boy Abused—Skin Grafting May Be Necessary. Montpelier, July 14.—The condition of Fred, the little son of Mr. and Mrs. Gilbert Charbonneau, who was severely burned yesterday while playing with matches, is critical. The child is at Heaton hospital.

The little boy, three years of age, was tucked into bed safely by the mother, but evidently crept into an adjoining room and secured matches, several little burned sticks being found on the floor. His screams attracted her attention and she rushed to the bed room to find his clothes ablaze. She succeeded in putting out the flames with a big quilt, but not before the boy had been badly burned from shoulder to knee on one side. Skin grafting may be necessary.

CONVICTS WELCOME WARDEN OSBORNE

Escorted to Platform on His Return to Sing Sing. Sing Sing, N. Y., July 14.—Thomas Mott Osborne was welcomed by the convicts here today on his return to the prison. Osborne, who resigned six months ago as warden, when he was indicted on charges growing out of his methods of conducting affairs at Sing Sing, made a brief address to the men after they had formed in procession at the prison gate to escort him and the returning warden, W. K. Kirby, to a platform erected especially for the occasion.

Mr. Osborne, who was cheered several minutes, praised the convicts for "sticking together" in the Mutual Welfare League, which he organized for the prisoners. He also spoke of the men who had "made good" since leaving the prison, saying that out of 25 only two had failed to keep the promises made to him.

FIRE DESTROYS BARN.

Between 20 and 25 Tons of Hay Lost—House Adjoining Saved. Waterbury, July 14.—The large barn owned by George Randall on what is known as the Columbus Shale place, on the railroad track, occupied by John Lane, was destroyed by a fire that started yesterday afternoon. The barn contained between 20 and 25 tons of hay, which had just been put in. The house, joined to the barn by a shed, was saved by the work of the fire department. The house was stripped of its furnishings when it was thought the fire would reach it.

This is the third time that Mr. Randall has suffered loss by fire. About five years ago a barn in the village was destroyed and about a year ago an old farmhouse, which had been filled with hay, was burned. The loss is partially covered by insurance.

MEXICAN BANDIT ARMY GROWING

Funston Hears Villa's Power Is Increasing in Northern Mexico—Patrol Is Strengthened.

San Antonio, Texas, July 14.—Accounts of increased numbers of bandits in northern Mexico, south of the Big Bend district, and repetitions of reports of Villa's growing strength were the outstanding features in official and unofficial information that reached General Funston today. Under his direction the strengthening of the border patrol, especially in the Big Bend country, was continued. Pennsylvania troops today had taken stations along the Rio Grande south of Marathon and a squadron of Texas cavalry reached El Paso, from where it will be sent to the border line. General Pershing reported that from Mexican sources he had been informed that among the recaptured Carranza prisoners there were 17 who right away had been cut off by Villa's men. Reports from Big Bend were that at various places not far south of the border small groups of bandits were operating, although there was no evidence any of them were planning an early raid into American territory.

54,400 MILITAMEN AT OR ON WAY TO BORDER

Approximately 72,500 Now Mustered Into Service. New York, July 14.—Major-General Leonard Wood, commander of the department of the East, announced to-night that 54,400 militiamen from the States under his command are either in the Mexican border or on their way. In State militia camps there are now 29,094 troops. Approximately 72,500 men have been mustered into the federal service. About 25,000 more must be obtained to bring the units from the eastern department up to war strength.

WYOMING'S CREW NAVAL CHAMPIONS

Newport, R. I., July 14.—The all-around athletic championship of the Atlantic battleship fleet for the last year has been awarded to the crew of the flagship Wyoming. It was announced here to-night. The award was made on points for achievements in sports afloat and ashore, including baseball, football, rowing and track games. Crews of other ships have been ranked in the following order: Florida, Arkansas, Texas, Virginia, New Jersey, Rhode Island, Nebraska, Vermont, Louisiana, Kansas, Delaware, South Carolina and Michigan.

BANKRUPTCY PETITIONS.

Hardwick Man Has Burlington Creditors—St. Albans Man Petitions. Rutland, July 14.—Pearl R. Slattery of Hardwick, a merchant, has filed a petition in bankruptcy with Clark E. Platt of the United States court, having 66 creditors. His attorneys are: Arbuckle & Co., \$29,922; Berry, Hall & Co., \$60,800; O. C. Taylor & Co., \$132,227; Burlington Grocery company, \$101,245; Sullivan & Sons, \$72,643; Vermont Fruit company, \$18,875; H. P. Prindle, \$88. The total liabilities are \$654,423 and he has assets of \$1,023, with \$1,193 claimed exempt. A petition has also been filed by Eugene A. Chase of St. Albans, a laborer, who owes \$247.75 and claims that his assets of \$160 are all exempt.

ITALY EXTENDS WAR TO GERMANY

Latter Country's Treatment of Italian Subjects Cause of Breach. Rome, July 14.—Italy-German commercial relations have been broken by Italy, according to the Giornale d'Italia, which said Saturday that the agreement providing for the mutual respect by the two nations of the rights of each other's subjects has been denounced by the Italian government.

Considerable influence has been brought to bear since Italy's entrance into the war to prevent its extension to Germany in the interest of both countries, since, in no way work to the advantage of the allies or central empires, while a declaration of war would uselessly injure the two countries' reciprocal interests. The arrogant attitude of Germany toward Italian subjects has now forced a crisis, which it is believed will lead to another declaration of war between the two countries, since Italian soldiers refuse to fight on other fronts besides their own.

STATE GOLF TOURNAMENT

Play on Rutland Country Club's Links, Aug. 3, 4 and 5. Rutland, July 14.—The program has been prepared by James A. Merrill and E. L. Olney of this city, president and secretary, respectively, of the Vermont State golf association for the annual tournament, which will be held on the links of the Rutland Country club on August 3, 4 and 5. Entries must be made to Mr. Olney by the evening of August 2. The annual meeting of the association will be held at the club house on August 4 at 8:30 p. m. The daily play will be as follows:

Thursday, 8:30 a. m.—Qualifying round, 18 holes, first 16 to qualify; 1:30 p. m., first round of match play, 18 holes, three steins. Friday, 8:30 a. m.—Second round of match play, 18 holes, losing eight of three steins continue to play; 2:30 p. m., semi-final round, match play, 18 holes. Saturday, 8:30 a. m.—Finals, match play, 18 holes for championship, handicap 18 holes, medal play. Prizes for best gross and best net scores, not to go to same player. The Governor McCullough cup presented by the Mount Anthony club of Bennington for annual competition will be competed for on August 4 by four designated members from each club in the tournament. W. A. Barber, Jr., of New York, last year's champion, has been familiarizing himself with a local course during the last few days.

Addison Co. Court Ends Term.

Middlebury, July 14.—The June term of Addison county court came to an end this morning at 10:10 o'clock. The last case heard was the divorce suit of Charles Doner vs. Addie Doner. The divorce was granted the plaintiff on the grounds of adultery and the custody of a 15-year-old son was given the father.

STATE DEPARTMENT SAYS DEUTSCHLAND IS MERCHANTMAN

Is Officially Entitled to All Rights and Privileges of Belligerent Ship in Neutral Port.

Washington, July 14.—The state department formally ruled Saturday that the German submarine Deutschland was an unarmed merchant vessel, and took the position that she was entitled to all the rights and privileges belonging to a merchant vessel flying the flag of a belligerent country in a neutral port. The decision was embraced in the following oral announcement by Mr. Polk, acting secretary of state:

"In view of the facts in this particular case, the state department sees no reason why the Deutschland should be considered a war vessel."

Under this ruling the submarine may leave Baltimore at will, as a merchantman, taking her chances of running the gauntlet of the British patrol after leaving the three-mile limit off the Virginia capes. The decision was based on reports made by Collector of Customs Ryan at Baltimore, and Captain Charles F. Hughes of the general board of the navy, who inspected the Deutschland and reported that she was a merchant ship and could not be converted into a war vessel or armed except through extensive and extensive structural changes.

Mr. Polk announced the government's action after he had considered the recommendation of the neutrality board to which the reports of Collector Ryan and Captain Hughes had been referred. In view of the fact that other German submarines are reported to be on the way to the United States, officials of the state department were careful to explain Saturday that the decision in the Deutschland case was not to be regarded as a precedent, and that each submarine would be dealt with on the merits of the case.

Mr. Polk challenged the accuracy of a statement printed in the morning which purported to give seven conclusions alleged to have been reached by the neutrality board in the Deutschland case. He said this publication was inaccurate, and that it did great injustice to the neutrality board. Mr. Polk asserted that this alleged forecast contained matters that had not been raised by the neutrality board, and that the neutrality board, on the other hand, had raised questions that had not been included in the publication. After the publication there were numerous inquiries at the state department today from embassies and legations as to whether the statement correctly outlined the position of the neutrality board and these inquiries caused some embarrassment to officials of the department.

ORPET ACQUITTED OF LAMBERT GIRL'S MURDER

End of Sensational Trial of University Student. Waukegan, Ill., July 17.—William H. Orpet, the university student charged with murdering Marion Lambert, a high school girl, who was his former sweetheart, was found not guilty Saturday night by a jury in Judge Donnelly's court, after five hours' deliberation. Three ballots were taken. The first two stood 11 to 1 for acquittal.

When the verdict was announced Orpet was silent through excess of emotion. He was barely able to return the handclaps of his attorneys. He made his way to the jurors and shook their hands one by one, smiling widely, but saying nothing.

Mrs. Orpet received the verdict as if it were a mere matter of routine. She noted that a photographer was trying to snap a picture of her son in herself and warned him, meanwhile shielding her own face with a newspaper. The defendant, his father and mother, his brother, and several friends hurried into the witness room, where their privacy was safeguarded by a bailiff. Half an hour later they emerged.

"Well, go home now, William," Mr. Orpet said, and they made their way down the back stairs and to the jail. Orpet's few belongings in his cell were already packed. He had recovered his self-possession by this time and thanked Sheriff Griffin for making his four months' stay in jail as comfortable as possible. The party was then driven home in the automobile of one of Orpet's lawyers.

JERSEY BULL MOOSE REPUDIATE HUGHES

Newark, N. J., July 14.—The New Jersey Bull Moose battled for four hours Saturday afternoon over the question of whether Charles E. Hughes should be considered a candidate for president, and then ended by repudiating the action of the progressive national committee in committing the party to the support of the republican nominee.

The fight occurred at a meeting of the progressive State committee held at the Washington restaurant in Newark. The final vote on a resolution bolting the national committee action at the meeting held in Chicago on June 2 stood 7 to 5, with nine absentees. Before the vote was taken, J. A. H. Hopkins of Morrisstown, chairman of the progressive State committee of New Jersey, had ruled that proxies could not be voted. It was really Mr. Hopkins himself, though he wielded the gavel at the meeting, who led the fight against any indorsement of Mr. Hughes.

WEAK POINTS OF HIS OWN.

Nearly every one of his friends had suffered from the caprices of the practical joker. Happily the joker had practical points of his own. One morning about 2 o'clock, there came a tremendous thumping at his front door. The joker hopped out of bed, opened his front window and leaned out. "In heaven's name, what is the matter?" he said. "One of your windows is open," said a man on the sidewalk. "Which one?" said the joker. "The one you have stuck your head through," was the reply.—New York Times.

TRAIN KILLS DEAF MAN

Charles Cram, 21, Hit by New York Sleeper near Tupper's Crossing—Body Found Two Hours Later.

Vergennes, July 14.—The New York sleeper, which passes through this city about 11:30 p. m., struck and instantly killed Charles Cram last night. The body, which was horribly mangled, was not found until about one o'clock this morning. Mr. Cram, who was 21 years of age, was very deaf and the accident occurred on a curve.

Mr. Cram was walking on the track near Tupper's crossing towards Ferrisburg, where he had employment on the farm of William Larow. A strong south wind was blowing at the time, which would have tended to deaden the sound of the wheels and prevent the man's hearing even if he had not been deaf. The body was stumbled onto by Heman Buckham and William Duncan, who were walking the track. They notified the telegrapher at the station, who called Dr. F. C. Phelps of this city, physician for the railroad. Dr. Phelps found the body in a badly mutilated condition. Death must have been instantaneous. Permission was taken to W. E. Larow's undertaking rooms in Ferrisburg, where an examination of the clothes revealed a paper in one pocket with the name of John P. Preston of Ferrisburg. Mr. Preston was communicated with and identified the body as that of Cram. Later his brother, Ira Cram, identified the body and accompanied the remains to Lincoln. Cram was not married, and both parents are deceased.

POSTPONED CELEBRATION.

500 See Tennis Matches, Ball Games, and Other Attractions. Highgate Springs, July 14.—The postponed Fourth of July celebration, held at Missions Park yesterday, was attended by about 500 people. In a tennis match the Tanager club of Swanton defeated the Strand club of St. Albans. Prouty and Monette winning from Doherty and Goffrey, 6-4, 6-4. The Ironsides of this place defeated the Swanton Independents in a baseball game by a score of 12 to 4. H. Platt and Page were the battery for the Braves and Hilliker and Papineau for the losing team. In a tug of war the Braves won from the Swanton Independents. A motor boat race was won by Harry Dolles of this place who made a mile and a quarter in 11 minutes, having a handicap of nearly half the course over the second boat. Contestants. There was a parade of horribles and some aquatic sports. In the evening there was a display of fireworks and a dance was held at the park pavilion. Demers' family orchestra playing.

Couple Arrested in Warren.

Montpelier, July 14.—William Humphrey, a Mechanicville, N. Y., farmer, said to have a wife and children in that town, and Miss Eugene Smith of the same town, were committed to the county jail today pending the arrival of a police officer from Mechanicville. They were apprehended at Warren, where they were employed. According to advices received by the county authorities Humphrey, who is 36, and Miss Smith, 11 years younger, left Mechanicville on Wednesday a week ago and a reward was immediately offered for their arrest.

JOHN M. PARKER TRIES TO REVIVE THE DYING MOOSE

Issues a Call for a New Progressive Convention to Be Held in City of Chicago August 5. New Orleans, July 14.—A statement and call to "the patriotic men and women of America" to hold a national convention of the Progressive party in Chicago on August 5 and nominate candidates for president and vice-president and continue the party's existence as a distinct political organization, was issued here Saturday night by John M. Parker, vice-president of the progressive national committee, who last June, he urged the progressives to "externally bury" the Bull Moose, which he asserted "had his loyal followers in the wilderness," and to adopt in its place the American eagle as the emblem of the party.

Mr. Parker does not mention Colonel Roosevelt or any other progressive leader, or any candidates for president, or, however, that the progressives and as supposed leaders "red-blooded Americans, who promised with their life blood" to stay with the party to the finish," but that the party had been deserted by a large part of its officers, who could not stand the acid test. He charges that the leaders for "steam-roller" reasons have elected to be steam-rollered, and that the time has come when every party working for human welfare and the future of America should unite against both dominant parties. In criticizing the Republican party the statement indirectly refers to Charles E. Hughes, republican candidate for president as "a splendid man," selected by the republicans "as a mask behind which they hoped to regain secure control of State and national government."

Mr. Parker declares he does not want office and states his willingness to withdraw as the progressive candidate for vice-president and labor in the ranks and on the stump to prove his loyalty to progressive principles. His inclusion of women in the call is taken to mean that the party is to be unreservedly pledged for woman suffrage and that the women voters in the suffrage States are invited to join the Progressive party and work for its success in the coming election.

NEWLY NATURALIZED CITIZENS FOR WILS

New York, July 14.—Organization the Woodrow Wilson Naturalized Citizens League, made up of newly naturalized voters who favor the re-election of President Wilson, was announced here to-night by Dr. J. Lewis, a former government metallurgist and biologist, chairman of league's executive committee, of Rick E. O'Sullivan of Derby, Conn., was chosen president and it was stated that the work of the organization will be centered in those States which have the largest naturalized population, with "Americans all" as slogan.

CANDIDATE HUGHES OPENS CAMPAIGN AT DETROIT AUG

Will Speak at Chicago, St. Minneapolis, San Francisco, Los Angeles and Other Cities.

Bridgehampton, N. Y., July 14.—Of the twelve cities which Charles Hughes will deliver speeches, transcontinental trip had been tentatively to-night. They are: Chicago, August 1; Minneapolis, August 2; St. Louis or Minneapolis, August 3 or 4; San Francisco and Los Angeles, August 5 and 6; New York, August 6; Detroit, where he will deliver his last speech, August 7. Mr. Hughes said the only one of the cities which had been finally determined was Detroit, where he will deliver his last speech. He thought it certain he would speak in Chicago either St. Paul or Minneapolis. He would speak in San Francisco or Vancouver before or after his two vacations in the Rockies had not yet been determined.

MATHEWSON LEAVES NEW YORK GIANTS

Pitching Days of the "Peerless" Are Over—Will Manage the Reds. New York, July 14.—Christy Mathewson, who for sixteen years has been idol of New York baseball fans, leave the Giants within a short time to succeed Charles Herzog as manager of the Cincinnati Reds. According to tentative agreement arrived at yesterday between President Harry N. Stein of the New York club and President August Herrmann of Cincinnati, the deal, which was practically closed, and the only remaining details concern the players who will be given to the Giants along with Mathewson.

The deal was brought about as a result of negotiations which have been going on for the last few weeks. Manager John J. McGraw to get the services of Charles Herzog for the Reds has been having all kinds of hard luck as manager of the Red, there is a lack of harmony between the deal and the owners of the club. He played with the Giants before got to Cincinnati and McGraw is more anxious to get him back.

It is said that Bill McKenchie, former Federal League third base, will go to Cincinnati with Mathewson. While New York will get Herzog as an outfielder named Williams in return. There is also a cash consideration of \$25,000, but this part of the deal has not been agreed upon. Both Herrmann and Stein admitted yesterday afternoon that the deal was pending, but they are holding the definite announcement until the completion of the details.

The passing of Mathewson from New York will be a great shock to fans, for the big pitcher with his personality and fine character, become as much an institution in New York baseball world as the grounds itself. No player who ever played here has been so popular for such a length of time as Mathewson. Year after year he was the mainstay of the McGraw pitching staff and as soon as the big fellow began to slip the New York club also began to backslide. Mathewson's pitching days are practically over. While his strong arm is still in good shape, a cramp has been the cause of controversy for such a length of time as a pitcher. A recent visit to Bones Reese in Springfield, Ohio, revealed that the ailment could not be remedied and Manager McGraw is directly east about for a manager for Matty.

MISSIONARIES FROM CANADA MURDER

Rev. W. A. F. Campbell and Sister Mary Margaret in Japan. Tokio, July 14.—The Rev. W. A. F. Campbell and Sister Mary Margaret, missionaries, were stabbed to death this morning in their summer home at Karasawa by a burglar. The woman was a Japanese short at Karasawa, which is an American missionary summer center, has been excited by the murder.

At 2:30 o'clock this morning, a Japanese police account, a Japanese dressed in foreign garb, entered an old story window of the cottage after awakening the missionaries, demanded money. This being refused, the intruder planned a short sword into Campbell's breast, mortally wounding him. Mrs. Campbell struggled heroically, the assailant and was stabbed repeatedly, succumbing to her wounds a few hours later.

At the point of his sword, the burglar, the police say, forced the Japanese to disclose the cash box and he then escaped with the \$10.50 which it contained.

The Rev. Mr. Campbell recently volunteered for service with a Canadian contingent in the European war and was a return home.

The Rev. W. A. F. Campbell and Campbell were sent out to the Far by the Methodist church in Canada. He had been engaged in Evangelistic work in Japan since September, 1913.
